

## Social VR Meet and Greet Experience questionnaire<sup>1</sup>

Please rate the degree to which you agree or disagree with each of the following statements, where:

**1 Strongly disagree — 2 Disagree — 3 Neutral — 4 Agree — 5 Strongly agree**

Quality of Interaction	1	2	3	4	5
1. <i>"I was able to feel my partner's emotions during the Meet and Greet."</i>					
2. <i>"I was sure that my partner often felt my emotion."</i>					
3. <i>"I could fully understand what my partner was talking about."</i>					
4. <i>"I could readily tell when my partner was listening to me."</i>					
5. <i>"I paid close attention to my partner."</i>					
6. <i>"I was sure that my partner understood what I was talking about."</i>					

Social Meaning	1	2	3	4	5
7. <i>"During the Meet and Greet, time appeared to go by very slowly."</i>					
8. <i>"I often felt as if I was all alone during the Meet and Greet."</i>					
9. <i>"My partner was easily distracted when other things were going on around us."</i>					
10. <i>"I derived little satisfaction from the Meet and Greet with my partner."</i>					
11. <i>"The Meet and Greet experience with my partner felt superficial."</i>					
12. <i>"I really enjoyed the time spent with my partner."</i>					
13. <i>"Everyday thoughts and concerns were still very much on my mind."</i>					
14. <i>"It felt like the Meet and Greet took shorter time than it really was."</i>					
15. <i>"I think my partner often felt alone during the Meet and Greet."</i>					

Presence/Immersion	1	2	3	4	5
16. <i>"I had a sense of being in the same space with my partner."</i>					
17. <i>"Somehow I felt that the same space was surrounding me and my partner."</i>					
18. <i>"I had a sense of interacting with my partner in the same space, rather than doing it through a system."</i>					
19. <i>"My Meet and Greet experience seemed as if it was a face-to-face sharing."</i>					
20. <i>"I did not notice what was happening around me during the Meet and Greet."</i>					
21. <i>"I felt detached from the world around me during the Meet and Greet."</i>					
22. <i>"The actions used to interact with my partner were natural."</i>					
23. <i>"I often felt that my partner and I were sitting together in the same space."</i>					
24. <i>"I felt that the Meet and Greet experience enhanced our closeness"</i>
